

Letter of Authorization

TO WHOM IT MAY CONCERN

We, the company CuraMedical B.V., a leading manufacturer of high-quality haemostatic devices, located in the Netherlands, head-quartered with registered legal address Industrieweg 6B, 1566 JP Assendelft, The Netherlands and visiting address Industrieweg 13-1, 1566 JN Assendelft, The Netherlands, represented by Mr. Fred J. Hoogland, hereby certify that the following company:

General Medica de Colombia S.A.S with VAT Number 860.527.377-4 and address at Calle 103 No. 14 A - 43, Bogotá, Colombia

has been authorized as exclusive representative and official distributor of our range of products to achieve patient health improvement in Colombia and is authorized to register, evaluate, supply, import, distribute, and sell to the Public Authorities, Pharmacies, Hospitals (public and private) and the Ministry of Health range of Absorbable Haemostats and non-absorbable haemostatic bone wax:

1. CuraSpon[®], sterile absorbable implantable haemostat sponges and powder, based on gelatine.
2. CuraCel[®], sterile absorbable implantable haemostat, based on oxidized regenerated cellulose (ORC) types CuraCel Standard (CC), CuraCel High Density (CH) and CuraCel Fibrillar (CF).
3. CuraTamp[®], sterile absorbable implantable haemostat, based on oxidized cellulose (OC) fabric.
4. TenaTac[®], haemostatic absorbable gelatine sponge with surface modification for increased tissue adhesion
5. CuraWax[®], sterile, non-absorbable haemostatic bone wax, fabricated from beeswax and isopropyl palmitate.

CuraMedical B.V, agrees to assist the Authority in Colombia with any request for information on the above medical devices. This letter of authorization is valid for Colombia, from February 21st 2023 and shall be valid for the period of 3 years, until February 20th 2026. This authorization will be automatically renewed but may also be terminated by either party for a justifiable reason by giving notice in written email at least 60 days in advance.

Yours sincerely,

Mr. Fred J. Hoogland
Director Marketing & Sales and Regulatory Affairs
