

FOR TUBE FEEDING ONLY

Peptamen® Intense VHP

Peptide-Based,
Nutritionally Complete,
Very High Protein Formula

Contains soluble fiber to help support
digestive health

1
kcal/mL

READY TO USE • SHAKE WELL BEFORE USE

DIRECTIONS FOR USE:

NOT FOR PARENTERAL USE

- Use by date on pouch.
- Wash hands. Shake pouch well before use as settling may occur.
- Using clean handling technique, hang bag, remove port cap, and insert tip of SpikeRight® PLUS connector into port.
- Turn SpikeRight® PLUS connector cap clockwise until tightly fastened.
- Use at room temperature.
- Use for a maximum of 48 hours after connection when proper technique is followed.

USE UNDER
MEDICAL SUPERVISION

NET 1000 mL (1.1 QT)

WARNING: NOT FOR PARENTERAL USE Do not use if container is damaged, swollen or contents are coagulated. Store unopened at room temperature. Avoid excessive heat. Do not freeze. Some separation of contents may occur. Pouch is filled to deliver 1000 mL. Actual fill volume is greater to compensate for residual volume remaining after pouch is drained.
