**Pfizer Global Supply**

10 November 2014

To whom it may concern

DECLARATION

This is to confirm that the primary container and stopper currently used by Pharmacia and Upjohn Company, Kalamazoo, Michigan, in the manufacturing process for

**Solu-Medrol (methylprednisolone sodium succinate) 40 mg Act-O-Vial Powder For Solution For Injection or Infusion**

**Solu-Medrol (methylprednisolone sodium succinate) 125 mg Act-O-Vial Powder For Solution For Injection or Infusion**

**Solu-Medrol (methylprednisolone sodium succinate) 500 mg Act-O-Vial Powder For Solution For Injection or Infusion**

are latex free.

The accuracy of our statements is based upon the final product composition formula and cannot guarantee that minute amounts of latex are not contained in raw materials obtained from various suppliers.

A handwritten signature in blue ink, appearing to read "Janet M. Bremer".
