

Nanhai Foshan Greatwall Daily Chemical Factory

Material Safety Data Sheet

HAND CREAM

1. Identification of the Chemical Product and Company

1.1 Name of Product: ROSE MOISTURIZING HAND CREAM

1.2 Hazardous Chemical Classification: Not yet evaluated.

1.3 Hazardous Substance Classification: Not yet evaluated.

1.4 Company Details:

Manufacturer/Supplier: Nanhai Foshan Greatwall Daily Chemical Factory

Address: No.2 Tangxin 5th Road, Xiaotang, Shishan Town, Nanhai District, Foshan

Supplier: None

Address: None

Tel: (0757) 86665675

Emergency Tel: (0757) 86667995

Contact: Safety Manager

1.5 Release Date: October 2021

2. Composition/Information on Ingredients

2.1 Chemical Characterization: Chemical compound

2.2 Physical Form: Paste

2.3 Color: White

2.4 Intended Use: For Moisturizing the hands skin

2.5 Main Ingredients:

Chemical Name	Concentration	CAS No.
AQUA	75.6	7732-18-5
MINERAL OIL	8	8012-95-1
GLYCERIN	5	56-81-5
BUTYROSPERMUM PARKII (SHEA BUTTER)	3	68920-03-6
DIMETHICONE	2	9006-65-9
CETEARYL ALCOHOL	2	8005-44-5
GLYCERYL STEARATE	1.75	123-94-4
PEG-100 STEARATE	0.25	9004-99-3
SUCROSE STEARATE	1	25168-73-4

ALLANTOIN	0.2	97-59-6
TOCOPHEROL	0.05	59-02-9
CARBOMER	0.25	9007-16-3
TRIETHANOLAMINE	0.2	102-71-6
ROSA RUGOSA FLOWER OIL	0.01	92347-25-6
PARFUM	0.2	N/A
HYDROLYZED KERATIN	0.01	69430-36-0
METHYLPARABEN	0.3	99-76-3
PROPYLPARABEN	0.1	94-13-3
DIAZOLIDINYL UREA	0.03	78491-02-8
BHT	0.05	128-37-0

2.6 Hazardous Ingredients:

<u>Chemical Name</u>	<u>CAS No.</u>	<u>%(w/w)</u>	<u>Conformity & Health Hazard Terminology</u>
None	—	—	—

3. Hazards Identification

3.1 Hazard Classification: Not suitable

3.2 Hazard Information: Not suitable

3.3 Routes of Exposure: No influence

3.4 Health Hazards:

Acute Effects

Eye Contact: Direct contact with the eye may cause mild irritation.

Skin Contact: No influence

Repeated/prolonged contact has no recorded adverse effects.

Inhalation: No irritation to respiratory system.

Ingestion: Low ingestion hazard under normal use, however accidental ingestion or ingestion of large amounts may cause internal damage.

Chronic Effects: The product contains no carcinogens defined by IARC, NTP, ACGIH or OSHA. The fragrance contains natural floral ingredients and can cause allergic reactions such as nasitis.

Skin Contact: No influence

3.5 Signs and Symptoms of Overexposure: Single exposure has no hazardous effects under normal conditions of use.

4. First Aid Measures

4.1 Eye Contact: Evert eyelids, immediately flushes eyes with eye lotion or

	purified water for at least 5 minutes and get immediate medical attention.
4.2 Inhalation:	No suitable information available.
4.3 Ingestion:	Rinse with substantial amount of water and get immediate medical attention.
4.4 Notes:	Treat according to the state and specific exposure of the sufferer.
4.5 Note to Physician:	Treat symptomatically.

5.Fire Fighting Measures	
5.1 Flammable Properties:	High temperature above 100℃ causes combustion.
5.2 Flash Point:	Not applicable.
5.3 Extinguishing Media:	CO2, dry powder, foam.
5.4 Special Fire Fighting Procedures:	Firefighters should wear self-contained breathing apparatus to prevent the potential poisonous gases and smog.
5.5 Fire & Explosion Accidents:	The product does not result in explosion.
5.6 Hazardous Combustion Products:	Carbon monoxide, carbon dioxide, sulfur dioxide
5.7 Upper Explosive Limit:	Not applicable
5.8 Lower Explosive Limit:	Not applicable
5.9 Flammability Class:	1=Mild.

6. Accidental Release Measures	
6.1 Personal Precautions:	Eliminate the sources of ignition. It is recommended that the emergency handling personnel wear general operation work clothes. Eliminate all possible sources of leakage and prevent it from entering the confined space such as sewer and drainage ditch. For a small number of leaks: sweep carefully, place in bags and transfer to a safe place. For a large number of leaks: Collect them for reclamation or transport to the waste treatment site for disposal.
6.2 Environmental Precautions:	Prevent it from entering the waters to cause fish death.

7.Handling and Storage:

7.1 Handling Precautions:	No special requests.
7.2 Storage Conditions:	Store in a cool, dry place away from heat, fire and sparks.
7.3 Unsuitable Packaging Materials:	Not established.

8. Exposure Controls/Personal Protection	
8.1 Maximum Allowable Concentration:	No special requirements.
8.2 Eye Protection:	Avoid eyes during application.
8.3 Body Protection:	No special requirements.
8.4 Hand Protection:	No special requirements.
8.5 Other Protection:	Discontinue use immediately if inadaptation appears and seek immediate medical attention if conditions are severe.

9. Physical and Chemical Properties	
9.1 Physical Form:	Paste
9.2 Color:	White
9.3 Odor:	Characteristic odour
9.4 PH (10% Solution):	6.5-7.8
9.5 Solubility:	Soluble
9.6 Oxidizing Properties:	Not applicable
9.7 Density:	0.9712±5%

10. Stability and Reactivity	
10.1 Stability:	Stable.
10.2 Stability Information:	Stable under normal temperatures and pressures. The product has sealed packing and does not volatilize under the normal storage conditions.
10.3 Class of Hazardous Reactions:	0= Stable.

11. Toxicological Information	
11.1 Health Hazards:	Refer to Section 3.4
11.2 Carcinogenicity:	None
11.3 Other Health Hazard Information:	No suitable information available.

12. Ecological Information:	
12.1 Potential Bioaccumulation:	No clinical data.
12.2 Water Toxicity:	Not yet evaluated.

13. Disposal Considerations	
13.1 Product Disposal:	Dispose of in accordance with local regulations.
13.2 Packaging Disposal:	Follow the MSDS label warnings after they have been emptied.

14. Transport Information	
14.1 Road and Rail Transport:	Packaging should be complete and loading should be reliable during shipment. Ensure that containers have no spill, collapse, drop or damage during transportation. Avoid mixing with oxidizing agent, reducing agent, alkali and edible chemicals. Prevent sun exposure, rain and high temperature. Provide relevant types and quantities of fire fighting apparatus and spill emergency equipment. The vent pipes for vehicles to load and transport the product shall be equipped with fire retardant devices. Keep away from sources of ignition and heat. Thoroughly clean vehicles after completion of transportation.
14.2 Sea Transport (IMDG):	Not belong to IMDG Code.
14.3 Air Transport (ICAO):	Not yet evaluated.

15. Regulatory Information	
15.1 Chemical Inventories:	
AICS:	All ingredients listed or exempted.
DSL:	All chemical substances in this material are included on or exempted from listing on the DSL Inventory of Chemical Substances.
IECSC:	All ingredients listed or exempted.
MITI:	All components are listed on ENCS or its exempt rule.
KECL:	All ingredients listed, exempted or notified.
EINECS:	All ingredients listed or exempted.

PICCS:	All ingredients listed or exempted.
TSCA:	All chemical substances in this material are included on or exempted from listing on the TSCA Inventory of Chemical Substances.

16. Other Information	
Contact Point:	Technical Service Engineer (86757) 86665675
