

Guangzhou Mujin Cosmetics Co., Ltd.

Safety Data Sheet "Cosmetic Safety Technical Specifications" (2015 Edition)

1、Product information and corporate identification:

Product Name: HAND CREAM (ROSE)

Name of production enterprise:Guangzhou Mujin Cosmetics Co., Ltd.

Production enterprise address:No. B Area, 3rd Floor and No. B Area, 1st Floor,
Building No. 2, No. 23, Huagang Road, Xiuquan Street, Huadu District, Guangzhou City,
Guangdong Province, China

2、Information on ingredients/composition:

AQUA	7732-18-5	72.95
MINERAL OIL	8012-95-1	5
GLYCERIN	56-81-5	5
STEARIC ACID	57-11-4	4
BUTYROSPERMUM PARKII (SHEA) BUTTER	91080-23-8	3
STEARYL ALCOHOL	-	2
DIMETHICONE	9006-65-9	2
PEG-60 SORBITAN STEARATE	9005-67-8	1
SORBITAN STEARATE	1338-41-6	1
CETYL ALCOHOL	36653-82-4	1
GLYCERYL STEARATE	123-94-4	1
ROSA RUGOSA FLOWER EXTRACT	92347-25-6	0.5
TRIETHANOLAMINE	102-71-6	0.4
PEG-100 STEARATE	9004-99-3	0.3
PHENOXYETHANOL	122-99-6	0.3
METHYLPARABEN	99-76-3	0.15
MYRISTYL ALCOHOL	112-72-1	0.1
ARACHIDYL ALCOHOL	629-96-9	0.1
PROPYLPARABEN	94-13-3	0.1

Special danger: If a fire occurs, it may release irritating smoke.

Protective equipment: Wear comprehensive protective clothing and oral respiratory protection devices.

6、Leakage emergency response:

Personal protective measures: Wear protective clothing and chemical resistant gloves.

Environmental protection measures: Do not allow it to enter the sewer/water surface or groundwater.

Methods and materials for containment and removal of leaks: Absorb liquid bonding materials (sand particles, diatomaceous earth, acidic adhesives, universal adhesives, sawdust) for reuse or disposal

7、Handling and Storage:

Precautions for operation: Follow safety regulations for operation.

Storage: Store in a cool, dry, well ventilated place, away from direct heat sources.

8、Exposure control and personal protection:

Preventive measures: Comprehensive ventilation.

Respiratory protection: It is recommended to use appropriate respiratory protective devices.

First Edition Release Date: June 13, 2024

Revision date: June 13, 2024

Guangzhou Mujin Cosmetics Co., Ltd.

Hand protection: The material of the gloves must be impermeable and resistant to the product/substance/additive.

Eye protection: Wear safety glasses.

Environmental exposure control: Control measures must comply with environmental protection regulations.

9、Physical and chemical properties:

Appearance (25 °C):The cream should be delicate, uniform and consistent

Odor (25 °C):No odor, in accordance with the prescribed fragrance type

PH (25°C) : 4.0-8.5

Cold resistance:Maintain a temperature of $(-8\pm 2)^{\circ}\text{C}$ for 24 hours, and after returning to room temperature, there should be no stratification observed

Heat resistance:(temperature of $(40\pm 1)^{\circ}\text{C}$ for 24 hours, and after returning to room temperature, there should be no oil-water separation or stratification observed

Total bacterial count/(CFU/g or CFU/mL): in accordance with the provisions of the "Cosmetic Safety Technical Specifications"

Total number of molds and yeast (CFU/g or CFU/mL): in accordance with the provisions of the "Cosmetic Safety Technical Specifications"

Heat resistant coliform bacteria/(g or mL): in accordance with the provisions of the "Cosmetic Safety Technical Specifications"

Staphylococcus aureus/(g or mL): in accordance with the provisions of the "Safety Technical Specifications for Cosmetics"

Pseudomonas aeruginosa/(g or mL): in accordance with the provisions of the "Safety Technical Specifications for Cosmetics"

Lead/(mg/kg): in accordance with the provisions of the "Cosmetic Safety Technical Specifications"

Mercury/(mg/kg): in accordance with the provisions of the "Cosmetic Safety Technical Specifications"

Arsenic/(mg/kg): in accordance with the provisions of the "Technical Safety Regulations for Cosmetics"

Cadmium/(mg/kg): in accordance with the provisions of the "Cosmetics Safety Technical Specifications"

10、Stability and reactivity:

Stability: Stable under normal use and storage conditions.

Reactivity: No information available.

11.Toxicological information:

Skin corrosion: No relevant data available.

Skin irritation: No relevant data available.

Eye irritation: No relevant data available.

Allergy: No relevant data available.

Acute toxicity: No relevant data available.

Subacute toxicity: No relevant data available.

Chronic toxicity: No relevant data available.

Carcinogenicity: IARC: Unlisted Information NTP: Unlisted Information OSHA: Unlisted Information.

First Edition Release Date: June 13, 2024

Revision date: June 13, 2024

Guangzhou Mujin Cosmetics Co., Ltd.

Epidemiology: No relevant data available.

Mutagen: No data available.

Reproductive toxicity: No relevant data available.

Teratogenicity: No relevant data available.

Other information: None

12、Ecological information:

Biodegradation: No data available

Non biodegradable: No data available

Accumulation: No data available

Fish toxicity: No relevant data available

Other information: Avoid polluting soil, surface water, and groundwater.

13、Waste treatment methods:

Disposal method: The disposal method of waste must comply with national and local laws and regulations for environmental protection.

Disposal of waste packaging: Waste packaging must be recycled in accordance with national and local environmental protection laws and regulations.

14、Transportation information:

Dangerous goods number: N/A

Packaging Mark: N/A

UN Number: N/A

Packaging category: N/A

Transportation precautions: During transportation, the packaging container should be checked for completeness and sealing. During transportation, it should be ensured that the container does not leak, collapse, or fall.

During transportation, it should be protected from sun, rain, and high temperatures, and it is strictly prohibited to mix with acid and alkali substances.

15. Regulatory information:

No special labels or in accordance with relevant national and local laws and regulations.

16. Other information:

The above content is based on our knowledge and the data information mentioned in this safety information table. These contents are only applicable to the above products and should help to adopt sufficient and appropriate safety precautions.
